

Hello,

We are coming from X Public Opinion Poll. We would like to ask you some questions. This research is related to understanding Syrian refugees' attitudes toward social, economic and political issues domestically and internationally.

You will be asked a number of questions. By answering the questions honestly and frankly, you will help us to add to general information in this field. The survey will should take approximately 25-30 minutes to complete. This survey is voluntary and you can feel to withdraw from this study at any time, and you do not have to answer a question if you do not wish to do so.

A NOTE ON CONFIDENTIALITY

All information collected will be kept strictly confidential. Your name or address will not be asked.

Exclusion Statement: Those who are below 18 years of age and noncitizens are not eligible.

Demography

Can you tell us the year you were born?

19__ __
